ZAHAV PLATINO

Platino seven seater is an ideal family car designed for the purpose of making life on the move easier, safer and more enjoyable.

The interior has been created to provide adequate space to cover every situation. The side seats located in the boot fold outwards and the rear seats can be folded forward to provide additional space for carrying abnormal loads.

Spacious cabin accommodates seven passengers comfortably.

The luggage compartment is very spacious, especially if you fold down the rear side seats.

Electrically operated windows and side mirrors.

Elegant dashboard provides a clear view with easy access to vital information whilst driving.
